EXPERIENCE

[VIRTUSA CONSULTING SERVICES](#)

| Full Stack Developer Intern May
2023 - August 2023 | Remote

- Actively participated in a full-stack development project.
- Contributed to meeting 100% of Functional Requirements.
- Helped create and maintain 7 Model Classes.
- Resolved 50+ issues to ensure a robust system.
- Followed software development processes and UML standards.
- Collaborated with a team of developers using Java, Spring Boot, and React.
- Assisted in debugging and troubleshooting efforts.
- Engaged in Agile processes, including daily stand-ups and sprint planning.

PROJECTS

HYDRIDE - RIDE BOOKING APPLICATION

- Developed a responsive web application for booking rides in Hyderabad, similar to Ola and Uber.
- Utilized React and React Bootstrap for the front end, ensuring a modern and user-friendly interface.
- Implemented a comprehensive ride request form with dropdowns, leading to a page displaying various transportation options.

VOICE ASSISTANT USING PYTHON

- Developed a voice assistant using Python with a codebase of 100+ lines.
- Crafted speech recognition and synthesis using the speech recognition and pyttsx3 libraries.
- Enabled voice-controlled sending of emails with a success rate of 90% using the smtplib module.
- Achieved a smooth user experience, handling more than 5+ voice commands.

CERTIFICATIONS

- [Oracle Certified Associate, Java SE 8 Programmer.](#)
- Programming for Everybody (Getting Started with Python) Coursera.
- AI for everyone - Coursera.

EXTRACURRICULAR ACTIVITIES

- I actively participated in the National Service Scheme (NSS) during my university years, where I engaged in environmental awareness campaigns, promoting the importance of plants and trees while addressing the issue of pollution in our community through organized camps and initiatives.
